COPETON WATERS

Copeton Waters

Nestled in the north-east corner of NSW, Copeton Waters offers a fantastic opportunity to use and enjoy Lake Copeton, which boasts three times the capacity of Sydney Harbour. With the lake, forest and open parkland to explore, Copeton Waters State Park is a haven for bushwalkers, nature lovers and water sport enthusiasts.

Location

Copeton Waters State Park is located on the western slopes of the New England Ranges – 570kms north-west of Sydney, 440kms south-west of Brisbane and only 40kms from the thriving regional centre of Inverell.
